

CERTIFICATE OF APPRECIATION

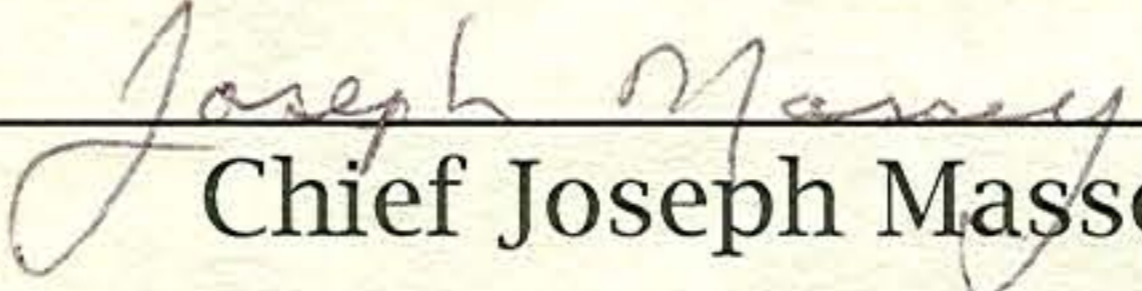

2008

Presented To

ARBO's Towing & Repair Service

It is with sincere gratitude and appreciation that the Waterville Police Department bestows this Certificate of Appreciation to Steve Thompson and Tom Hachey of Arbo's Towing & Repair Service, Waterville ME, for their many years of support to the City of Waterville and the Waterville Police Department. Their recent contribution of a motor vehicle to support the Sex Offender Resource Officer Program enables the program to continue, thereby, providing the citizens of Waterville with the comfort of knowing the police will be able to monitor more closely high-risk sex offenders living within the city.

This is one of many generous contributions made to the City of Waterville over the last three decades, which directly improved the quality of life for residents. Once again, on behalf of the Waterville Police Department, please accept our sincere appreciation for your kindness.

Chief Joseph Massey
Waterville Police Department
