Dear Steve and Tom:

I am sending you this letter to thank you for purchasing our first K-9 Unit in the last 12 years. Rubin is batting 1,000 on all tracks and apprehensions. He is working out to be one of the best trackers in the state.

We appreciate all that you have done for the K-9 Unit and I find it very hard to express in writing how I feel and how to tell you how I feel. All I can say is thank you from the bottom of my heart and also Sgt. Jeffrey Massey expresses his thanks to you.

Steve and Tom, in my eyes you are very civic-minded. There are very few people who would donate time and money as you have. Again, thank you and Rubin thanks you.

Sincerely,

David J. Veneziano, Chief
Waterville Police Department
